

The second TPM was also carried out in two days and was held in Guimarães on October 29th and 30th, 2019.

It was organized by Cim do Ave association, in collaboration with the Municipality of Cuenca (Spain), Unione degli Assessorati (IT) e Conca d'Oro sport association (IT).

The first day was held in the form of a round table at the headquarters of Cim do Ave and involved the international participants in activities of planning and evaluation of what is currently carried out, as well as the interventions of the following day; on October 30 at the multipurpose sports center of Guimaraes "GuimaGym" was held the second international meeting entitled "Best practices about experiences on Sports Activities outside school settings thanks to the input of Local Councils", The Councillor for Sport of Guimarães City Council, Ricardo Costa, participated in the opening of the meeting where he highlighted "the investment in sports infrastructures", such as the Gymnastics Academy, a building of environmental reference and with a high degree of energy efficiency, and also the promotion of various sports and a close relationship with the sports associations, contextualizing the municipal strategy for sport.

Aim of the meeting was sharing local best practices on experiences in sports activities outside the school environment, thanks to the contribution of the municipalities.

The event included several presentations by the participating municipalities, including the results of the "Giochi di Rione" of Montelepre (IT), the activities of the Municipalities of Bompietro (IT), and Santa Caterina Villarmosa (IT) as well as the Municipality of Cuenca (SP). The Intermunicipal community of Ave presented the work developed by the network of sports and education technicians of the eight municipalities of Ave under the theme "best practices to avoid social exclusion" where pioneering and inclusive projects were presented in each of the municipalities

The meeting continued with a visit to the sports facility that hosted the event (GuimaGym) and, in the afternoon, with visits to sports facilities and activities of neighboring municipalities, where participants had the opportunity to talk with associations in the sector and understand how activities are developed with young and old. Also for this meeting minutes and reports of the presentations were published.
